Introduction

The Bihar wood based industries promotion policy, 2020 was notified vide ResolutionNo-2/Van vividh-16/2018 2335 dated 26/08/2020. To implement the policy the guideline has been prepared to attract investment into the sector. Bihar has a total of 2272 Licensed Saw Mills, 279 Veneer Mills, 142 Plywood Industries and several furniture making units in the 38 districts. The technology penetration in the wood base industry is not up to the standards and use of inefficient plant and machinery results in low quality of value-added product and more wastage of raw material. This Guideline will help to bring in investment and a positive business ecosystem to improve the existing saw mills, veneer and plywood units as well as furniture units. The Guideline support Expansion / diversification / modernization/technology upgradation / adding furniture making unit, value addition in existing Industry/ Unit and, hence improving synergy. In addition, the guidelines support the existing small Furniture and other modern artifacts making units in the unorganized sector and artisans. This sector has immense scope for the Job creation for the skilled and semi-skilled labor.

Who can Apply ?

New investors/Entrepreneurs/Existing Wood Based units/Artisans/Local Furniture making units/ Bamboo products making units shall be eligible for financial assistance under this guideline. The investors may apply as proprietorship, partnership, LLP, trust or societies registered under the relevant act, company etc.
